

## RECYCLE WHILE YOU SHOP...a few examples

Target offers recycling for plastic bags and glass, plastic, and aluminum.

**TARGET RECYCLING:**  
Aluminum, glass, plastic beverage containers, plastic bags, MP3 players, cell phones & ink cartridges

Recycle your rechargeable batteries, Plastic Bags, and CFL light bulbs at Lowe's!

**LOWES RECYCLING:** plastic plant trays, pots, tags (in the garden center), rechargeable batteries, cell phones, CFL bulbs & plastic shopping bags.

**BEST BUY RECYCLING:**  
ink/toner cartridges, rechargeable batteries & cables. Also, they take 3 items per household per day: Tube TVs & monitors up to 32 inches, flat panel TVs & monitors up to 60 inches,

Bring your old rechargeable batteries, plastic bags, wires, cords, cables, gift cards, CDs, DVDs, cases, ink/toner cartridges to Best Buy's indoor sorting station to be recycled. Best Buy also has a can/bottles collection bin. Plus, you can bring in TVs, computers, phones, cameras, and other devices in the store to be recycled.

**HARRIS TEETER RECYCLING:** paper, plastic, cans & bottles
