

# Youth – Living Water Sunday School

---

Purpose/Goals of Ministry: What is to be accomplished by this ministry team?	To surround our students with disciples of Jesus and invite them to do what disciples of Jesus do--in this case, to seek after God through the searching of Scripture. We invite students to engage with scripture and seek life-changing application of learned truths.
What talents, skills, and spiritual gifts would be helpful to this ministry?	A passion for teaching and mentoring young people would be most helpful.
Time Commitment: When & how often do you meet? What other time commitments are there?	Living Waters meets weekly, 9:50-10:45, on Sunday mornings. Occasional training opportunities are available.
What specific responsibilities do members of this team have?	Living Waters leaders teach the supplied curriculum to our students. While curriculum is supplied, teachers have the opportunity to tailor the material to their specific styles and to match the environment of their class.
Connections: What other ministry teams does this team work with directly?	
Mission: How does this ministry team help people to follow Jesus, love others, and change the world?	We are inviting students to interact with the Word of God.
Other: What else do we need to know about this ministry team?	Our students love being together. Our teachers do not really teach in a traditional classroom setting. Instead, they act as facilitators for the conversations that our very active students dive into.
