Mission: How does this ministry team help people to follow Jesus, love others, and change the world?	Music is a unique expression that encompasses a broad palate of God's creation. Music allows the followers of Jesus to experience Him in a way that is not possible through the spoken word. As members of the choir, the singer not only experiences God in this way, but also facilitates our congregation in this experience as well.
Other: What else do we need to know about this ministry team?	The choir is a family within our church. When a group of people work together over a long period of time on a concentrated goal, the community becomes a supportive family who loves one another.
