

## Pentecost in the Park

Shortly after Jesus ascended into heaven, the disciples received the gift of the Holy Spirit upon them at the festival of Pentecost. The disciples began to speak in many different languages, a symbol of how the Spirit draws together the body of Christ as one despite our differences. Christians today celebrate Pentecost as the birth of the church.

This year for Pentecost, we're going to celebrate the unity of St. James UMC through one special worship service. We'll gather on Sunday, May 20 at 10:30 at Town Common Park (105 East First Street), just north of uptown and right on the Tar River! We'll draw together elements of all four of our normal worship services and celebrate the presence of the Holy Spirit today!

A few important notes for your information:

- Please bring your own blankets and/or chairs for worship!
- While there should be plenty of parking nearby, we will run shuttles from St. James to the park for your convenience.
- We will provide some shaded seating and assistance for those with mobility issues
- After the service, we hope you will stay for lunch (you can bring your own or order a boxed lunch for just \$8)

We have been drawn together as Christ's body. Please mark this date on your calendars and plan to join in this service as we come together to celebrate our church!

PS Please start praying for beautiful weather that day!

## National Day of Prayer

The National Day of Prayer is Thursday, May 3, 2018. It is an opportunity for us to exercise our spiritual responsibility to pray - to pray to our Father in Heaven and to pray for each other (1 Timothy 2:1-2). It is also an opportunity to exercise our civic responsibility to join together in prayer for our nation, our cities/towns, our communities, our families, and our homes.

### Special Mother's Day Offering

The Mother's Day Offering supports our Benevolent Care Annual Fund and provides financial and personal resources for residents who can no longer fully pay their way. In many cases these residents have no other means of support and often no family. It takes \$100 to subsidize one day of care for benevolent residents.

On Sunday, May 13th, there will be special envelopes available at the church for this offering. Or you may indicate "Mother's Day Offering" on your check memo line. By supporting this fund you can make a difference in the lives of these residents.
